Which Sunday School class is right for you?

Family First:

At First Baptist Church of Russellville, we believe that family should come first. It is God's design that parents should be the primary spiritual influence on their children, so our Sunday School structure is intended to allow families to worship together.

If you have children in the first grade or older, we would encourage you to select a Sunday School class from the 9:30 hour. This will allow you to attend church with your family. Families with younger children can attend a class in either service.

Life Stage Second:

After you've made plans to take care of your family members, then you need to consider your life stage. If you are a senior adult, we obviously offer several options for those in your life stage. The same is true of young adults, married couples, college students, etc. Just look through the classes that we offer and begin to visit those which fit your current life stage.

Fellowship Third:

Generally, you'll find several classes at First Baptist which fit your current life stage. We encourage you to visit several classes and begin to see which one you connect with. We are confident that all of our teachers treasure the Word of God and communicate it effectively.

The Sunday School is our small group ministry outlet -- you want to attend Sunday School with folks you're comfortable praying with, serving with, and experiencing God with. Join a group of quality people and discover the opportunities offered for you to serve the body of Christ.

Lock Arms & Serve:

Once you've found a Sunday School class, we would encourage you to begin to build relationships and pray about opportunities to serve others through the ministries of First Baptist. We come to church first to worship and praise our heavenly Father. Secondly, we come to serve Him and others as opportunities present themselves.

We desire to be an Acts 1:8 church. This verse says, "And you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth." This verse means that we are to impact our local community, the larger region around us, and the entire world for Jesus Christ. Come join us and be on mission with God!

Our Vision & Sunday School Model:

We believe that the Word of God is absolute truth and that it is applicable to all areas of our lives. As God's Word says in II Timothy 3:16-17, "All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; that the man of God may be adequate, equipped for every good work."

Our Sunday School classes are intended to help individuals develop deep relationships while studying the Word of God. The Sunday School class is our most important step in discipling an individual to grow in Jesus Christ. It is in Sunday School that we truly begin to learn how to fulfill our church passion: to know Him and make Him known!
